

LDC Reminder

A reminder that the office is closed for holidays beginning at 1pm on October the 8th and reopening at 10am Oct.26th. You may submit JotForms, emails or leave messages and they will be attended to upon my return. It may take a day or two to catch up so please be patient if you don't get a response for a day or two.

There will be literature to buy at the Assembly but as always, it will be cash or cheque made payable to Ontario South LDC. There will be no etransfers accepted.

Also please bring bags. I have a few that were donated I will try to remember to bring but cannot guarantee there will be any. And while the outpouring of boxes per my request were plentiful at AWSC, I don't need any right now so please don't bring them to Assembly for me.

The bookstore hopefully will be open Friday afternoon, but I have not had confirmation of when the room will be available, and it will be open on Saturday at lunch. If the business portion of Assembly is done at a reasonable time on Saturday, then it may be open for a wee bit that night too. It will not be open on breaks, at breakfast or at dinner due to time limitations and because I need to eat as well. So please ensure you pick up and sign out any preorders, and you get your shopping in during these times.
